### Additional benefits

Prevailing charge	When you receive care from an out-of-network-provider, benefits will be based on the 80 <sup>th</sup> percentile of the usual and customary charges.
Maximum accumulation	Some of your unused annual benefit maximum can be carried over to the next year. To qualify, you must have had a dental service performed within the calendar year and used less than the maximum threshold. The threshold is equal to the lesser of 50% of the out-of-network maximum benefit or \$1,000. If the qualification is met, 50% of the threshold is carried over to next year's maximum benefit. Individuals with fourth quarter effective dates will start qualifying for rollover at the beginning of the next calendar year. You can accumulate no more than four times the carry over amount. The entire accumulation amount will be forfeited if no dental service is submitted within a calendar year
Emergency services	If you have a dental emergency and you can't see an in-network provider in a reasonable amount of time, your claim may be paid if you see an out-of-network provider. You must provide information either with the claim or during an appeal that identifies the situation as an emergency.
Participating provider services	If you require treatment and you can't see an in-network provider in a reasonable amount of time, your claim may be paid if you see an out-of-network provider. You must provide information either with the claim or during an appeal that informs Principal Life if there was no participating provider reasonably available.
Periodontal program	If you're pregnant or have diabetes or heart disease, you may receive scaling and root planing covered at 100% (if dentally necessary), or one additional cleaning (routine or periodontal) subject to deductible and coinsurance.
Second opinion program	You may be eligible for second opinions from dental providers at 100%. This program makes sure you get the best advice to make an informed decision about your care.

Cancer treatment oral health program	If you have cancer and are undergoing chemotherapy or head/neck radiation therapy, you may receive up to three fluoride treatments every 12 months covered at 100% plus one additional routine cleaning.
General anesthesia program	If you have autism, Down syndrome, cerebral palsy, muscular dystrophy, or spina bifida you may receive general anesthesia or intravenous sedation coverage. Services must be administered in a dental office. All other contractual limitations apply.

### How do I find a network dentist?

When you receive services from a dentist in our network, your cost may be lower. Network dentists agree to lower their fees for dental services and not charge you the difference. You'll have access to the Principal Plan Dental network, with more than 117,000 dentists nationwide. Visit [principal.com/dentist](http://principal.com/dentist) to find a dentist or call 800-247-4695.

### What if my dentist isn't in the network?

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-247-4695, or submitting a form at [principal.com/refer-dental-provider](http://principal.com/refer-dental-provider).

### What are the limitations and exclusions of my coverage?

- Missing tooth provision –This means the initial placement of bridges, partials, dentures, and implant services to replace teeth missing before this coverage starts may not be covered. If the policy your employer purchased replaces coverage with another carrier, continuous coverage under the prior plan may be applied and you may be eligible for coverage to replace teeth missing before this coverage started. Your effective date with your current employer, along with the employer's effective date with Principal are used to determine coverage. Missing tooth provision doesn't apply to pediatric essential benefits.
- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information. We strongly recommend submitting a predetermination to determine benefits.

### How are complaints handled?

You, your provider, or your representatives can send a complaint in writing to us or to the Illinois Insurance Department.

When you send the complaint to us, we will let you know that we received your complaint and immediately start an investigation. A response will be sent to you within 15 working days from the receipt of the complaint.

When we receive a complaint from the Illinois Department of Insurance, we will send a response within 21 calendar days of the department's letter (unless specified earlier by the Insurance Department).

Our response will include a description of how and when you were covered with Principal Life, the policy provisions that we relied on, what has happened with your claim, and an explanation of the final decision.

We maintain a complaint register that allows individual reconstruction of complaints as well as summary data.
