PEO 4 Me is a Professional Employer Organization that utilizes a co-employer arrangement to provide individuals, independent contractors and small groups with advanced cost-effective, benefits and payroll capabilities.

PEO4ME

OUR MISSION is to provide affordable, comprehensive healthcare benefits and payroll solutions to independent contractors and smaller groups that cannot otherwise participate in a group insurance plan due to size. We believe these entrepreneurs deserve the opportunity to have great healthcare benefits despite their small size and can benefit from being able to join a pool of similar individuals and small groups.

How it works.....

Consult with one of our advisors today or watch our educational video at www.peo4me.com to learn how our payroll processing and benefits can work for you.
